### Glassdoor Intern Review

★★★★★

#### Pros

Helpful mentors and good working environment

#### Cons

Nothing so far as far as I'm concerned

## Our Institution

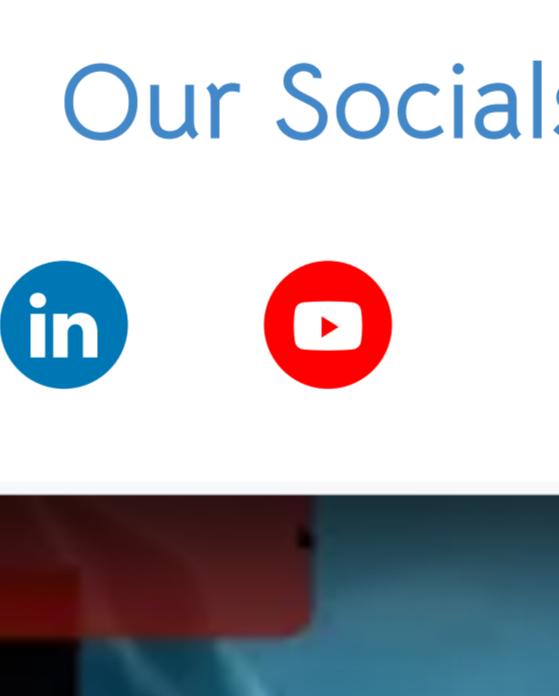

Virtually Testing is a California, USA based 501(c)3 volunteer-run nonprofit organization. Our foundation is funded by individuals or corporate or government donations. Our mission is to serve a cybersecurity focused community by organizing speaker events, hands-on workshops, conferences, etc. Our members advance their skills or learn from scratch to successfully access the competitive trending and evolving cybersecurity industry.

## Our Team

Victor Monga  
Co-Founder

Mallory Vega  
Director of Operations

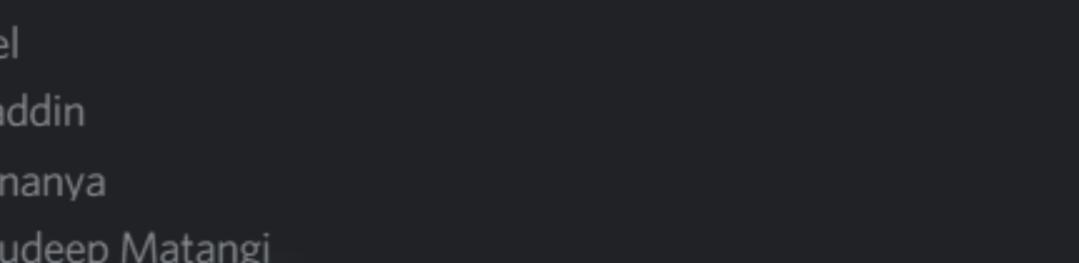

Carolyn Aetos  
Board Member

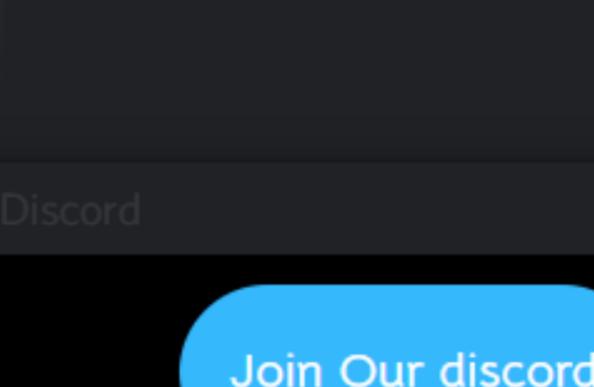

## Our Partners

Virtually Testing Foundation Partners with Identité to Advance Simple and Secure Password less Authentication.

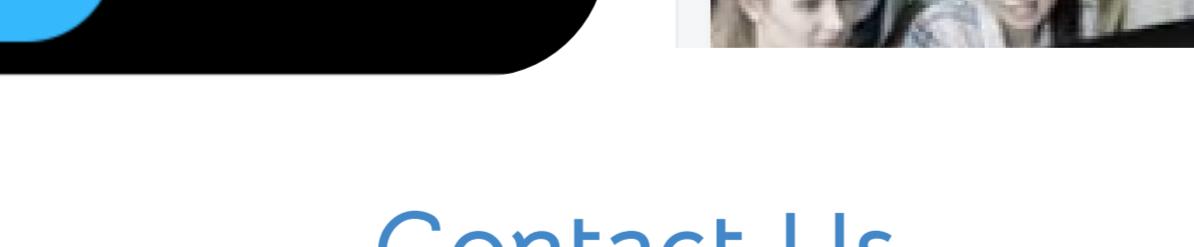

AttackIQ partnered with Virtually Testing Foundation to promote and offer Academy classes and certificates to its community.

Browse the latest free online courses from Harvard University
